OBJECTIVE

I am seeking a position as a web developer, where I can use my html and css knowledge and experience to create websites, and also to utilize my creative thoughts to invent original content such as logos, banners, and any other necessities. I want the opportunity to grow with a company as well as with the industry.

QUALIFICATIONS

Extensive knowledge of HTML, HTML5, CSS, CSS3, JQuery, Javascript
Experience with PHP, Java, MySQL, and Actionscript
Able to work with and create Databases
Familiar with WordPress, social networking, online marketing, SEO optimization, and Google Adwords
The latest versions of Dreamweaver, Photoshop, Illustrator, Flash, InDesign, Adobe Master Collection
Able to comprehend and complete verbal and written tasks
Works well on individual assignments and in teams
Bilingual - English/Spanish
